# Application Questions

*These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others. For more information about LifeGroups at Compass Bible Church that utilize these questions as the basis for their weekly discussion, please visit [compasshillcountry.org/lifegroups](http://compasshillcountry.org/lifegroups) or email us at [info@compasshillcountry.org](mailto:info@compasshillcountry.org).*

1. So far in this series, how does God's faithfulness through the lives of those in the genealogy of Christ help you understand more about God's character?

2. Read [Hebrews 11:6](#). What does this verse say about faith? From your notes on Sunday, where were some places you saw God honoring people's faith in Joshua, Judges or Ruth?

- a) Why can you expect the same response from God regarding your faithfulness toward him?
- b) What are some practical steps of faith you can take this week that reveal your trust in God's plan, whether that is personal decisions, discipleship steps, or steps of reconciliation with God or others?

3. Read [Jeremiah 2:12–13](#) & [Jeremiah 2:17–19](#). How do these verses drive home the sermon's point that Christians are not exempt from consequences when we forget God in our life?

- a) Recall a time in your life where you received consequences because you forgot/disregarded God. What biblical counsel would you give yourself during that time to move you to remember God?

4. Read [Matthew 6:25–33](#) & look at your notes from this week's sermon. Why should you trust God to provide for his plans and those who are walking in his plans? Like Rahab, how can walking in God's plan give you protection and community?
